P2P VERY EARLY GAME MONEY MAKING

Fresh off membership - the best F2P routes still apply.

SUBJECT	A brand-new members account with no members-skill levels trained yet.	SCOPE	Members (P2P) account; live game version, 2026.
GP BRACKET	0 – 100K GP	TRACK	P2P · Very Early Game

Briefing. A brand-new members account has no members-skill levels yet, so the same **Cowhide / Sapphire Ring** route that carries F2P accounts through this bracket still applies here unchanged. The first genuine P2P upgrade is **Guardians of the Rift**, reachable at Runecraft 27, which both trains a skill future P2P guides depend on and roughly 3-10x's the gp/hr ceiling of anything on the F2P track.

Reading The Access Tags

F2P

Free-to-Play - no membership required for this method.

P2P

Pay-to-Play - requires an active OSRS membership.

F2P & P2P

Identical method works on either account type.

I CARRIED-OVER F2P ROUTE

COWHIDE HARVESTING / CRAFTING SAPPHIRE RINGS

F2P & P2P

None - Crafting 20

LOCATION

Lumbridge Cow Field (cowhide) or any furnace with a bank nearby (sapphire rings, once Crafting 20 is trained).

WHO IT'S FOR

A brand-new members account with no members-skill levels trained yet - membership hasn't unlocked a better option at this stage.

STARTUP COST

None for cowhide; moderate for sapphire rings once trained - buying gold bars, cut sapphires and a ring mould up front.

ATTENTION REQUIRED

Moderate - short, tight loops that punish inattention with wasted trips.

NEXT UPGRADE

Once Runecraft hits 27, move to this guide's Guardians of the Rift method for a much higher gp/hr ceiling.

RATE (GP/HR)

~100,000-361,000

WHEN TO USE IT

Immediately after buying membership, before any members-only requirement (like Runecraft 27) has been met.

HOW AFK

Low - both are active, click-heavy loops (attack/skin/bank, or smith/bank).

WHAT CAN GO WRONG

The cow field can be contested on crowded worlds; hopping costs a little time but isn't a real risk (non-Wilderness). Sapphire ring crafting carries only market risk on material prices.

GUARDIANS OF THE RIFT

P2P

First Real P2P Upgrade

Runecraft 27

LOCATION

Runecraft Guild / Abyss minigame entrance.

WHO IT'S FOR

New members accounts willing to train Runecraft to 27 - a low bar for a large jump in gp/hr over any F2P method.

STARTUP COST

Low - the minigame provides most tools; a small reinvestment into runecrafting pouches speeds it up but isn't required.

ATTENTION REQUIRED

High - a fast-paced minigame, not a passive click-and-wait method.

NEXT UPGRADE

Keep running Guardians of the Rift into guide 008 (Early Game), where the same method plus a couple of new unlocks keep scaling.

RATE (GP/HR)

~1,094,000

WHEN TO USE IT

As soon as Runecraft 27 is reached; ideally right after buying membership, since it's also the fastest way to build the Runecraft level future P2P guides (008, 010) depend on.

HOW AFK

Low - it's an active minigame with constantly-changing tasks.

WHAT CAN GO WRONG

No death/PK risk (it's an instanced minigame) - the only real risk is a low points-per-game run if unfamiliar with the minigame, which just means slower profit that session, not a loss.

No clean single-item wiki icon exists for the Guardians of the Rift minigame itself; Abyssal pearls (the minigame's own reward currency) is used here as the closest clean substitute, matching the icon used for this same method in guide 008.

✓ QUICK-REFERENCE RECAP

GP Bracket

This guide covers the 0-100K GP bracket. Once Herblore 30 and a working bankroll are in place, move on to P2P Early Game (100K-1M GP).

ICON	METHOD	REQUIREMENT	INVESTMENT	LOCATION	RATE (GP/HR)	ATTENTION
	Cowhide / Sapphire ring route (carried from F2P)	None - Crafting 20	None - Crafting 20	Lumbridge / any furnace	~100-361k	Moderate
	Guardians of the Rift	Runecraft 27	Runecraft 27	Runecraft Guild / Abyss	~1,094k	High

All figures approximate. In-game gp/hour rates, requirements, and item prices fluctuate and were sourced from the OSRS Wiki's live Money Making Guide current as of early September 2026. This guide assumes full game access unless noted otherwise. Always confirm current mechanics and Grand Exchange prices in-game before committing to a specific method.
